## MAYOR'S INAUGURAL ADDRESS

---

*Gentlemen of the City Council:*

The citizens of Somersworth, in the city election on Tuesday last, conferred honor upon us when, by a substantial vote, they chose us to represent them in our respective capacities in the city government.

In accepting this honor, we incurred certain duties, obligations and responsibilities which we are, by conscience, bound to assume and perform to the full extent of our ability, to the end that the best interest of the city and its people may be served.

**Inspired** by the confidence placed in us by the electorate, **gratified** by the healthy endorsement given to our previous activities in their behalf, **encouraged** by the success that we have enjoyed and the advances already made, and **determined** to again conduct the affairs of the city in a manner that will justify the citizens' confidence and merit commendation, we today begin our work as a new administrative year opens.

And as we approach our duties, it is well that we pause once more, review the progress made, closely survey the existing situation, give due consideration and study to the many problems at hand, and endeavor to work out solutions that will bring greatest benefits to the largest number of our citizens without regard to political, racial, religious or sectional affiliations.

Most of you gentlemen have served as members of the City Council during my past two administrations. During that period of service you have been sincere and earnest of purpose and devoted to duty. You

have shown a comprehensive knowledge of municipal affairs and have displayed a highly commendable spirit of cooperation. With your aid, it has been possible to conduct an honest and efficient administration, one which has been productive of numerous benefits, has witnessed the development of sound public policies, and has only recently had the stamp of approval placed upon it by a grateful citizenry.

As I gladly acknowledge the assistance that you have given to me and express my sincere appreciation, I again ask for a continuance of your support, feeling confident that it will be freely given together with that of the newly-elected members of the Council.

It has been a custom of long standing for the Mayor, at the beginning of a new administration, to make detailed recommendations for future activities.

While such a practice may have been fitting and proper in those days of greater business, industrial and economic stability, I seriously question its propriety in times such as these which are characterized by changes and uncertainties.

Recommendations made without reasonable certainty as to the probability of their fulfilment often have the effect of raising false hopes and fears. Having no desire to play upon the emotions of our citizens in order to gain momentary applause and acclaim, I shall refrain from any attempt to see into the too distant future and to predict in detail what will be done.

There are broad policies, however,—having to do with matters of vital importance to thousands of our people—which can be mapped out at the beginning

of the administration. It is of these that I wish to talk to you at this time.

#### TAXATION

There is no subject of greater interest and importance to our people than that of taxation.

When we levy taxes, we force our citizens to yield some of their personal property. If we are extravagant and wasteful in conducting the affairs of government, we take from the people an excessive amount and thereby cause discomforts and hardships. If, on the other hand, we are prudent and efficient in our administration, we lighten the burden of taxation and add somewhat to their happiness.

Therefore, it becomes our solemn duty to proceed cautiously, to keep the general welfare ever in mind, to apply to all of our problems the tried and true principles of sound economy, and to see to it that our constituents are given the square deal to which they are entitled.

It is generally conceded that we have, during the past two years, done very well in so conducting municipal affairs as to prevent an expected increase in the rate of taxation. I would be very happy if at this time I could honestly recommend a decrease for the current year.

Confronted by continued low taxable valuations, which can be remedied only by a substantial improvement in the local industrial situation, however, and by continued high expenditures for work relief, old age assistance, and State and County taxes, I must state, in perfect frankness, that a tax reduction for this year is entirely out of the question.

The best that we can definitely promise in regard to taxation is a sympathetic and conscientious handling of the problem.

## RELIEF AND UNEMPLOYMENT

Closely connected with the subject of taxation are the problems of relief and unemployment—problems in the solution of which we have already adopted sound, efficient and highly effective policies.

Without equivocation, I recommend a continuance of these policies insofar as the city is financially able to meet the federal requirements. I recognize it as a direct responsibility of this administration to see to it that the hundreds of our citizens who have been suffering as a result of unemployment are given the fullest possible measure of relief.

This, I believe, can best be obtained through wholehearted cooperation with those agencies of the Federal Government which have been organized for that purpose.

With these facts in mind, we have, during the past year, planned several worth-while projects and have exerted every possible influence to secure their approval by Federal authorities. That we have been eminently successful in this respect and that large numbers of our citizens have derived considerable benefits as a result, is proven by the records which show that practically year-round employment has been given to nearly 225 men and women who have received total wages in excess of \$112,000. That local merchants and professional people have shared in the benefits resulting from these wages of \$112,000 is self-evident.

The funds allotted to Somersworth have not been wasted. They have, for the most part, been used to keep people at work on projects of both immediate and lasting benefits—projects which have aided in relieving current emergencies and have added materially to the physical, social and recreational wealth of the community.

We have had a sewing project which has provided employment for 52 women who have received in wages a total of \$23,805.19. The products of their labor have been distributed among 371 local families, thereby aiding more than 1,600 persons.

Through the assistance of the WPA we have been able to develop the Noble Playgrounds—adding to their beauty and utility until they have become rated among the best of their kind in New Hampshire and are used as a standard of comparison.

I urge all citizens to visit the Noble Playgrounds regularly and to take advantage of the opportunities for relaxation, exercise and pleasure there provided.

There will be found an enlarged athletic field suitable, in season, for baseball, football and skating purposes. There, also, will be seen tennis, shuffle board, basketball and horse shoe courts. In order to add to the usefulness of some of these, there is a lighting system installed for night activities.

In a section set aside especially for the children, there is a fine bathing pool with showers and also gymnasium sets, teeter boards, swings, sand boxes and other equipment to delight the youngsters.

The playground project, carried through at a cost to the City of only \$3,698.37, is a noteworthy contribution to the social and recreational welfare of the community and will pay dividends in the form of safety, health and happiness in the years to come.

We have recently started what I believe to be one of the outstanding local projects—the sewer construction job which, when completed, will provide badly needed, and too long neglected sewerage service for residents of High, Pearl, Hanson, Horne and Myrtle streets and Indigo Hill Road.

This project will require an expenditure of approximately \$44,000 of which \$36,000 will be contributed by the Federal Government and \$8,000 by the city.

When this project is completed, I recommend that we seek federal aid for the enlargement and modernization of the sewer system in the Water, Main and Union Street section, where the presentsystem has been found to be inadequate and difficulties have resulted.

In addition to those already named, we have had other projects such as the enlargement of the Forest Glade Cemetery, the clearing of the grounds surrounding the pumping station, wood cutting, insect extermination, so-called "White Collar" jobs and road construction, all of which served useful purposes.

#### STREET DEPARTMENT

Our Street Department, despite the added burdens placed upon it by the consolidation program, is functioning in a highly efficient manner. Notwithstanding the additional services which it provides, including the collection of garbage under an extremely liberal policy, and the fact that its allotment of funds has been curtailed, this department has continued to operate within its appropriation.

During the past year, double coatings of tarvia have been given to the roads on Prospect, Fayette, Elm, Ford, Page, Mt. Vernon, Main and Union streets.

On Main, Union, Green and Pleasant streets, the appearance and utility of the roads have been improved as the result of gutter filling and leveling activities.

This latter work has met with popular approval and I recommend that it be extended to other streets throughout the city when conditions in the department are favorable.

#### DEPARTMENT OF EDUCATION

Our department of education is being ably managed and supervised and is operating close to its ap-

propriation. In this department, high standards of instruction are being maintained and the results obtained are gratifying. The physical equipment in general is in satisfactory condition.

It is a matter of fact that the increased enrollment at the High School has resulted in somewhat crowded conditions there and has created some sentiment in favor of the erection of an addition to the building.

While I recognize the desirability of added accommodations and appreciate their value, I must emphatically oppose any further construction until there is a decided improvement in the condition of the city's finances.

#### FIRE DEPARTMENT

It has been Somersworth's good fortune, during the past year, to have escaped heavy and serious losses by fire. As a result, the Fire Department has been able to operate at figures nearly 20 per cent below its appropriation.

The amount appropriated for the 12 months was \$5,000. Only \$4,066.28 of this sum was expended.

Profiting from experience gained in the past, when this city suffered heavy fire losses, and faced with the duty of providing citizens with proper protection, it is necessary that we maintain adequate fire fighting equipment.

We are fortunate in the condition of our present equipment and appreciate the fact that it is manned by a crew whose members have proven their ability on numerous occasions.

#### WATER DEPARTMENT

I can see no necessity at this time for any early or drastic change in the policies under which the Water Department has been conducted of late.

The new system, installed a few years ago, is providing residents of this city with drinking water which rates high in State Department tests and the available supply is considered adequate.

Receipts of this department continue to show a surplus over the expenditures.

#### IMPROVEMENT IN FINANCIAL CONDITION

For the second successive year, I am happy to report a comparatively gratifying improvement in the financial standing of the city resulting from a substantial decrease in the net indebtedness.

This improvement will be a source of considerable satisfaction to you gentlemen who are familiar with the seriousness of Somersworth's recent financial difficulties and to those of our taxpayers who would have been seriously affected had it not been brought about.

The advancement that we have made is reflected in the following statements relative to the city's finances as of March 1, 1936, and March 1, 1937.

#### FINANCIAL STANDING MARCH 1, 1936

Debt reduction bonds . . . . .	\$ 40,000.00
High school bonds . . . . .	72,000.00
Highway improvement bonds . . . . .	44,000.00
Water Works bonds . . . . .	40,000.00
Cemetery trust fund . . . . .	45,526.24
Cemetery Gate trust fund . . . . .	1,732.14
Chandler trust fund . . . . .	2,000.00
R. R. Eastman trust fund . . . . .	133.09
Outstanding notes . . . . .	20,000.00

---

Total liabilities March 1, 1936 . . . . .	\$265,391.47
Cash on hand March 1, 1936 . . . . .	\$15,345.92
Cemetery trust fund . . . . .	45,526.24
Cemetery Gate trust fund . . . . .	1,732.14

Chandler trust fund .....	2,000.00
R. R. Eastman fund .....	133.09

---

Total assets March 1, 1936 .....\$ 64,737.39

---

Net debt .....\$200,654.08

## FINANCIAL STANDING MARCH 1, 1937

Debt reduction bonds .....	\$35,000.00
High school bonds .....	66,000.00
Highway improvement bonds	40,000.00
Water Works bonds .....	36,000.00
Cemetery trust fund .....	46,676.24
Cemetery Gate trust fund ..	1,775.70
Chandler trust fund .....	2,000.00
R. R. Eastman fund .....	131.63
Outstanding notes .....	30,000.00

---

Total liabilities March 1, 1937 .....\$257,583.57

Cash on hand March 1, 1937	\$14,740.91
Cemetery trust fund .....	46,676.24
Cemetery Gate trust fund ..	1,775.70
Chandler trust fund .....	2,000.00
R. R. Eastman fund .....	131.63

---

Total assets March 1, 1937 .....\$ 65,324.48

---

Net debt March 1, 1937 .....\$192,259.09

Net decrease in indebtedness March 1, 1937, \$8,-  
394.99.

The debt reduction this year is the more remarkable when we consider the fact that, previous to the close of the fiscal year on February 28, we made concerted efforts to secure statements and to dispose of all of our obligations to date.

This drive proved to be successful and every available outstanding bill and claim against the city

was secured and paid. Thus, gentlemen, we begin the new administrative year with a clean slate.

What the condition of the city's affairs will be a year hence depends to a great extent upon the manner in which we comport ourselves.

People of Somersworth realize the nature and seriousness of our problems and do not expect us to work any miracles. All that they ask is that we devote our best efforts to the task at hand.

Our best is the least that we can conscientiously give.

Our reward will not be material. It will be that sort of intangible thrill of satisfaction and contentment that follows a job well done—a service well rendered.

Gentlemen, I thank you.

## MUNICIPAL ELECTION

March 9, 1937

## RESOLUTIONS

---

Somersworth, N. H., March 16, 1937.

Resolved: That the Committee on Finance be and hereby is authorized and empowered to borrow in anticipation of taxes, to meet current expenses in such amounts and at such times as may be deemed advisable at the lowest rate of interest obtainable; the sum of all amounts so borrowed not to exceed One Hundred Thousand (100,000) Dollars, and that the proper officers of the City be authorized to give the City's notes or Note therefor. All debts incurred under authority of this resolution are hereby expressly made payable from the taxes of the current municipal year.

Passed March 16, 1937.

---

Somersworth, N. H., April 20, 1937.

Resolved: That the Collector of Taxes shall receive for his compensation for the fiscal year of 1937 one and one-fourth per centum of all collections.

Passed April 20, 1937.

---

Somersworth, N. H., April 20, 1937.

Resolved: That the Collector of Taxes of the City of Somersworth for the year 1937 be authorized and empowered to allow a discount of two per cent on the taxes for the current year, exclusive of poll taxes, during the months of April, May, June and July.

Passed April 20, 1937.

Somersworth, N. H., December 10, 1937.

Resolved: That the City Council of the City of Somersworth, and as the city government of said City, hereby accepts the provisions of Section 4-A of the compensation laws of the State of New Hampshire for the designated workmen in its employ as follows:

Street or Road Construction, Water Works Operation, Cemetery Operation, Municipal Township, County or State Employ, Garbage, Ashes or Refuse Collecting, Street Cleaning, Buildings and Clerical Office Workers.

This resolution refers to policy number UB-8547-962, issued by the Travelers Insurance Co. covering period from September 18, 1937, to September 18, 1938.

Passed December 10, 1937.

---

Somersworth, N. H., February 9, 1938.

Resolved: That the Committee on Finance be and hereby is authorized and empowered to borrow in anticipation of taxes, to meet current expenses in such amounts and at such times as may be deemed advisable at the lowest rate of interest obtainable; the sum of all amounts so borrowed not to exceed Ten Thousand (10,000) Dollars, and the proper officers of the City be authorized to give the City's Notes or Note therefor. All debts incurred under authority of this resolution are hereby expressly made payable from the taxes of the current municipal year.

Passed February 9, 1938.

## PETITIONS

---

Somersworth, N. H., March 23, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect a canopy sign, to overhang the sidewalk at place of business located at No. 58 Market street. Said sign to be approximately 6 feet by 3 feet and 7 inches.

Respectfully submitted,

Dumais Bros.  
By Roland Dumais.

The foregoing petition was granted at a meeting held April 6, 1937.

---

Somersworth, N. H., March 29, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect a sign to hang over the sidewalk at No. 59 High street.

Respectfully submitted,

Jim Belliveau.

The foregoing petition was granted at a meeting held April 6, 1937.

---

Somersworth, N. H., April 8, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner requests your Honorable Body for a permit to erect a

wooden building to be located on the property known as 21 Mt. Auburn street. Said proposed structure to be approximately 20 feet by 20 feet and to be used as two private garages.

The abutters to my property are Leon Dusseault, William Charette and Alphondor Dumais.

Respectfully submitted,

Theophile Soucy.

The foregoing petitioner was granted a hearing to be held May 4, 1937, at 7.55 P. M. at the City Council rooms.

At a hearing held as aforesaid the petition of Theophile Soucy was granted May 4, 1937.

---

Somersworth, N. H., April 12, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect a wooden building located on the property known as No. 124-130 High street. Said proposed structure to be approximately 40 feet by 20 feet, one story in height and to be utilized as private garages.

The abutters to my property are: Estate of Rose T. Cheney, Henry Gallant and Arthur Gilbert.

Respectfully submitted,

William H. Bernier.

The foregoing petition was granted a hearing May 4, 1937, at 7.56 P. M.

At a hearing held as aforesaid the petition of William H. Bernier was granted May 4, 1937.

Somersworth, N. H., April 13, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect a wooden building located on the property known as 20 Market street. Said proposed structure is an addition to a wooden building to be used in connection with my restaurant, and to be approximately 24 feet by 10 feet and one story in height.

The abutter to this property is the Boston & Maine Railroad.

Respectfully submitted,

Guy S. Babb.

The foregoing petitioner was granted a hearing May 4, 1937, at 7.57 P. M.

At a hearing held as aforesaid the petition of Guy S. Babb was granted May 4, 1937.

---

Somersworth, N. H., April 20, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner requests your Honorable Body for a permit to erect a wooden building to be located on the property known as 53 and 55 Franklin street. Said proposed structure to be approximately 36 feet by 18 feet and to be used as four private garages. The abutters to my property are Ludger Gosselin, Henri Pepin, Charles F. Davis and Jacob Cohen.

Respectfully submitted,

J. A. Normandeau.

The foregoing petitioner was granted a hearing May 4, 1937, at 7.59 P. M.

At a hearing held as aforesaid the petition of J. A. Normandeau was granted May 4, 1937.

---

Somersworth, N. H., February 2, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: The American Legion Post No. 69 respectfully requests your Honorable Body for a rebate on the rental of the Opera House for the drama "The Bride" on January 18, 1937.

Respectfully submitted,

Leon J. Littlefield, Commander,  
Fred Legro, Treasurer.

At a meeting held May 4, 1937, the foregoing petition was refused.

---

Somersworth, N. H., April 27, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: The members of Holy Trinity Parish respectfully petition for the customary rebate on the rental of Somersworth Theatre for the presentation of the play "Icebound," March 17, 1937.

Respectfully submitted,

James F. Happny,  
Pastor of Holy Trinity Church.

At a meeting held May 4, 1937, the foregoing petition was refused.

---

Somersworth, N. H., May 19, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully petitions your Honorable Body for a permit to

erect a wooden building located on the property known as 16 and 18 Green street. Said proposed structure to be approximately 24 feet by 20 feet and one story in height to be used as a private garage.

The abutter to my property is Joseph Langelier.

Respectfully submitted,

Laura Vezeau.

The above petition was granted at a meeting held November 2, 1937.

---

Somersworth, N. H., June 30, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect an electrical sign to overhang the sidewalk at 31 Main street. Said proposed sign to be approximately 6 feet by 3 feet and to be erected under the supervision of whoever your Honorable Body may designate.

Respectfully submitted,

Emery L. Whitten.

The foregoing petition was granted at a meeting held November 2, 1937.

---

Somersworth, N. H., August 26, 1937.

On motion of Councilman Lagueux in the matter of a petition from the New England Tel. & Tel. Co. requesting the location of poles on First street, the Council voted not to take any action on this petition as First street is not an accepted city street.

Somersworth, N. H., December 10, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned petitioner respectfully requests your Honorable Body for a permit to erect a sign at my place of business, 191 Main street.

Respectfully submitted,

Leonard Roberge.

The foregoing petition was granted at a meeting held December 10, 1937. Sign to be erected under the supervision of the Street Commissioner.

---

Somersworth, N. H., December 10, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: Your undersigned taxpayers and residents of the City of Somersworth hereby petition your Honorable Body for the culvert on the cemetery road to be dug out, as it needs it very badly, it cannot take care of the water, it keeps our fields flooded most of the time.

Respectfully submitted,

Francois J. Moore,  
Omer Veilleux,  
Frederick Veilleux,  
William Dumais.

The foregoing petition was referred to the Committee on Roads, Bridges and Drains with power to act.

---

Somersworth, N. H., November 24, 1937.

*To His Honor, the Mayor, and City Council:*

Gentlemen: So many requests have been presented to the Police Commissioners to have Stop

Signs erected at the corner of Grand and Mt. Vernon streets, and Grand and Highland streets, that in the interest of Public Safety, the Police Commissioners at their last regular meeting voted to request, and do hereby request the Mayor and City Council to pass an ordinance to erect and maintain a Standard Stop Sign.

At Mt. Vernon street for East bound traffic on Grand street.

At Mt. Vernon street for West bound traffic on Grand street.

At Highland street for East bound traffic on Grand street.

Respectfully submitted,

Joseph E. Langelier.

The foregoing petition was ordered laid on the table.

---

Manchester, N. H., November 22, 1937.

*To His Honor, the Mayor, and City Council:*

New England Telephone and Telegraph Company requests a license to install and maintain underground conduits, cables and wires and to erect and maintain poles and structures with wires, cables, conduits and devices thereon together with such sustaining, strengthening and protecting fixtures as said company may deem necessary, along, across and under the following public ways:

LOCATE:

24 poles on West High street, as per attached plan.

Wherefore it prays that it be granted a license to install and maintain underground conduits, cables

and wires and to erect and maintain poles and structures with wires, cables, conduits and devices thereon together with such sustaining, strengthening and protecting fixtures as said Company may deem necessary, said underground conduits, poles and structures to be installed approximately in accordance with the plan filed herewith marked New England Tel. & Tel. Co., No. E-952-1. Dated 11-18-37.

New England Telephone & Telegraph Co.,

By Geo. E. Wright,

Plant Supt.

The foregoing petition was granted at a Special Meeting held December 10, 1937.

— — —

Manchester, N. H., December 6, 1937.

*To His Honor, the Mayor, and City Council:*

New England Telephone & Telegraph Co. requests a license to install and maintain underground conduits, cables and wires, and to erect and maintain poles and structures with wires, cables, conduits and devices thereon together with such sustaining, strengthening and protecting fixtures as said Company may deem necessary along, across and under the following public ways:

#### LOCATE:

Manhole No. 1A at intersection of High and Fore streets, and Manhole No. 1B on Fore street.

Conduit extending from proposed Manhole No.1A to proposed Manhole No. 1B, and extending to sidewalk directly in front of Grant Building, as per attached plan.

Wherefore it prays that it be granted a license to install and maintain underground conduits, cables and wires and to erect and maintain poles and structures with wires, cables, conduits and devices thereon together with such sustaining, strengthening and protecting fixtures as said Company may deem necessary, said underground conduits, poles and structures to be installed approximately in accordance with the plan filed herewith marked New England Tel. & Tel. Co. No. E-952-1A. Dated 12-6-37.

New England Telephone & Telegraph Co.

By Thos. A. McCabe, for Plant Supt.

The foregoing petition was granted at a Special Meeting December 10, 1937.

## ORDINANCES

---

Somersworth, N. H., April 6, 1937.

Be it ordained by the City Council of the City of Somersworth that the ordinances of the City of Somersworth be and hereby are amended as follows:

Roscoe G. Edgerly,  
Margaret Cray O'Connell,

City Auditors.

June 15, 1938.

**STREET COMMISSIONER'S REPORT**

---

Somersworth, N. H., March 1, 1938.

*To His Honor, the Mayor, and City Council:*

Gentlemen: In accordance with the provisions of the City Ordinances, I herewith submit my annual report for the fiscal year ending February 28, 1938.

The regular duties of this department, such as keeping the streets cleaned, cleaning and repairs to receivers and manholes, snow removal from roads and walks and sanding, and the general maintenance of our tarvia and gravel roads have been carried on as in the past. The following streets have been tarvia treated the past year: Washington, Pleasant, Chandler School Yard, South, Franklin, Green, Winter, Prospect, Grove, Fayette, Elm, Ford, Indigo Hill Road, and gutters filled on Franklin, Green, and Orange streets. All Stop Signs have been repainted.

Market Square, Cemetery Road, from West High street and the Salmon Falls Road, have been gravelled and given two coats of tarvia.

The tar sidewalk on the easterly side of Walnut street adjoining Holy Trinity church has been replaced with a cement walk and a hot top sidewalk has been built on the easterly side of Water street.

The daily collection of garbage again meets with the approval of our citizens and through the foresight of the Mayor and members of the Highway Committee, a new Dodge with a specially constructed body was purchased which greatly adds to the convenience of the men in handling of the containers.

The following is an itemized account of the expenditures for labor by the Highway Department the past year with payroll ending February 21, 1938.

Garbage,	\$ 1,903.18
Receivers and manholes,	526.54
Sanding,	628.74
Brush cutting,	275.94
Repairs to equipment,	305.60
Gravel roads,	601.09
Cemetery,	778.20
Supervision,	141.96
Heating city barn,	26.88
State highway,	215.54
Snow removal,	1,391.17
Snow removal, walks,	263.00
Patching,	331.65
Street cleaning,	811.27
Playgrounds,	118.15
Snow fence,	73.23
Raking streets,	295.12
Clerical assistance,	195.00
Repairs to macadam roads,	935.90
Painting stop signs,	47.69
Filling gutters,	290.02
Salmon Falls road,	302.19
Trimming trees,	90.30
Miscellaneous (Chandler School yard),	138.23
Oiling streets,	348.58
Water street sidewalk,	148.30
Walnut street sidewalk,	104.49
	<hr/>
	\$11,287.96

Respectfully submitted,

John R. Hodsdon,

Street Commissioner.

## WATER DEPARTMENT COLLECTOR'S REPORT

Somersworth, N. H., February 28, 1938.

Office salaries and expense,	953.39	
Commissioners' salaries,	146.00	
New accounting system,	385.34	
General expense,	63.60	
Insurance,	58.27	
Shop expense,	74.62	
Truck expense,	21.95	
Interest,	1,390.00	
		9,759.75

Total expense,	\$ 14,483.09	
Depreciation,	4,518.89	

Net income for year,	\$ 9,964.20	
Balance of cash appropriated by City,		\$ 11,024.19
Balance to surplus Exhibit A.	\$ 1,059.99	

The above statement prepared in accordance with the accounts prescribed by the Public Service Commission of New Hampshire, Section 1, Chapter 156, Laws of 1935.

#### EXHIBIT C

Improvements Made, Construction Started and Completed.

10 New Services put in, and 18 renewed. 25 Meters were installed, 2 inch main, 174 feet, was laid on Green street.

5 Breaks occurred on mains, namely, New Dam, 8 inch main, Market street, 16 inch main, 2 Breaks at Central Park, 10 inch main, Orange street, 8 inch main.

Several Service leaks, but fortunately only 5 minor leaks this winter.

Engine room at Pumping Station was painted, ceiling, walls, floor, motors, greatly improving the looks of the room and machinery.

A new burner was installed at the Pumping Station, also a new Switch at the Deep Well.

Everything is in fine shape at the Pumping Station and very little money will have to be spent to keep it in A-1 shape.

The Deep Well will also need very little attention.

With minor repairs to be done, the Stand Pipe is in very good condition.

A new card system will replace the old book system, which should bring our bookkeeping system up to date, and conform with the Public Service Commission's report.

I would recommend the drilling of a new well, on the same vein, so that in years to come, we could alternate when cleaning was required.

I would also recommend a survey of all services, also the number of fixtures using water in each service, as our present one is not as it should be due to the fact that so many properties have changed hands since the records were made.

I would recommend changing the 2 inch line from Depot street at Main street to Second street to a 6 inch line, so water could be shut off without having to shut off the whole of the New Dam District.

Respectfully submitted,

Wilfred J. Michel,

Superintendent.

**FIRE CHIEF'S REPORT**

---

Somersworth, N. H., March 1, 1938.

*To His Honor, the Mayor, and City Council:*

Gentlemen: I herewith submit to you my fifth annual report of the Fire Department.

---

**ROLL OF THE FIRE DEPARTMENT**

Chief Engineer, John O'Neil  
1st Deputy Engineer, Harry D. Ledger.  
2nd Deputy Engineer, Noel Chasse.

---

Captain, Napoleon Couture.  
1st Lieutenant, Harold Hodsdon.  
Clerk, John R. Hodsdon

---

**DRIVERS**

Arthur Nadeau, Ernest L. Heon,  
Robert O'Malley, Napoleon Couture,  
Orin Littlefield, Harold Hodsdon,  
Alfred Plante.

---

**EQUIPMENT**

One American LaFrance Triple Combination hose, pump and chemical.

One American LaFrance City Service truck, ladder and chemical.

One Ford V-8 combination pump and hose.

Two emergency hose wagons.

There are at present 2,400 feet of hose in good condition; 1700 feet of hose in fair condition; 400 feet of new 1½ inch hose and 650 feet of ¾ inch chemical hose.

Total number of alarms,	107
Number of box alarms,	32
Number of chimney fires,	30
Number of grass and brush fires,	29
Number of fires, no alarm,	16

Forty-six permits to burn grass, leaves, etc., were issued.

Fire drills were held regularly in schools.

Chemicals in the public buildings were kept charged, and located for emergency use.

Woodlands were kept posted with fire warnings, and closed during dry spells. Inspections to eliminate fire hazards were conducted every three months.

In closing I wish to thank His Honor, the Mayor, the Committee on Fire Department, and all those who have assisted me in the discharge of my duties during the year.

To the officers and members of the department, my thanks are also due for their faithful attention to duty and their promptness in responding to the numerous calls during the past twelve months.

Respectfully submitted,

John O'Neil, Chief Engineer.

---

#### SOMERSWORTH FIRE ALARM BOXES

- 3 Central Park.

4 Out of town and brush fires.

1-1 No School Signal.

Morning, 7.30-7.45.

Afternoon, 12.30-12.45.

---

#### GENERAL RULES

Firemen as well as citizens should familiarize themselves with the following rules for giving alarms of fire.

1. Never pull a box for a fire seen at a distance.
2. Never pull a box while the alarm bells are ringing, not until a box has completed its four rounds. Two boxes cannot operate together, and neither will work if two are pulled at the same time. Never pull two alarms of two boxes for the same fire.

3. To ring in an alarm, break the glass in the key-box and open the outside door with the key. Pull down the brass crank seen inside, till it stops, then let go. Then let the box alone. The clock will be seen or heard to be running, and the alarm will follow in half a minute or so. Close the door, but do not try to remove the key, as it is locked in track lock and can only be removed by a release key, which is carried by each engineer, who will, as soon as convenient, release and return it. Remember that the firemen will come directly to the box which has been pulled, and be sure that someone stays at the box to direct them to the fire.
4. Never pull an alarm for a fire seen at a distance. Never touch a box except to give an alarm of fire. Give an alarm for no cause other than actual fire. Don't give an alarm for a chimney fire.

## REPORT OF CITY SOLICITOR

---

Somersworth, N. H., March 1, 1938.

*To His Honor the Mayor, and City Council:*

Gentlemen: I submit herewith my report for the year ending February 28, 1938.

At the present time there is pending in the Superior Court of Strafford County a petition for tax abatement filed by the Strafford York Gas Company, which no doubt will be disposed of at the September Term of Court, 1938.

Our police court record is practically clear of any serious crime. The majority of cases brought before the court were misdemeanors, including violations of automobile laws, drunkenness and non-support cases.

Our juvenile cases have been few. A new law passed by the Legislature at the 1937 session relating to neglected and delinquent children should be of some benefit in all juvenile cases in the future. Under this law a juvenile is any boy or girl under the age of eighteen years.

At the same session of the Legislature a Probation Department was established. All juvenile cases under these acts must be investigated and a report in writing be made to the court of the home condition, school record and the mental, physical and social history of the child and the circumstances of the alleged delinquency or neglect before final disposition can be made. This, no doubt, will do much towards solving the question of delinquent children.

Respectfully submitted,

Thomas J. McGreal,  
City Solicitor.

## REPORT OF THE TRUSTEES OF THE SOMERSWORTH PUBLIC LIBRARY

---

Somersworth, N. H., March 1, 1938.

*To His Honor, the Mayor, and City Council:*

Gentlemen: The Board of Trustees of the Somersworth Public Library submits its annual report covering the year 1937-38.

The Library is in excellent condition and doing work creditable to the city.

The furniture and floor have been refinished by the W. P. A. workers.

The walls and ceiling need to be redecorated and a modern lighting system is badly needed.

For the work of the Library, reference should be made to the interesting report of the Librarian, appended to and made a part of this report.

For the Trustees,

John R. Hodsdon,

Secretary.

## REPORT OF THE LIBRARIAN

---

Somersworth, N. H., March 1, 1938.

*To His Honor the Mayor, and City Council:*

Gentlemen: Herewith is submitted the report of the Librarian for the year ending February 28, 1938.

The year may be considered a successful one from the Librarian's point of view. The routine work was done as usual, and although there seems to be nothing new to report, it may be said with certainty that the Public Library is ever becoming more essential in the life of our city, as teachers, students and other patrons have learned to depend on it for help and information.

We could have circulated twice as many books as we could purchase; we need always to buy more new books to secure the enthusiastic interest and attention of the public. We have been up-to-date in the selection of books purchased with the small appropriation provided. This was done by the careful selection of new titles, with the exception of books for our New Hampshire collection, which has been built up to some considerable size by buying, mostly second hand, works on the history of the state, which are important additions.

There was some gain in the book stock; although 411 books were added to the collection last year, 188 had to be discarded. Hundreds of books had to undergo minor repairs and 176 were sent to the bindery for major operations.

We were fortunate in securing for the Library five pictures from the W. P. A. Federal Art Project; two oil paintings (Waterfall and Village Street), one water color study (Old Portsmouth) and two block

prints (Granite Quarry and Study of a Cactus) have been framed and hung in the Library.

Miss Jeannette Stewart presented one of her etchings to the Library. It is a view of "Marston's Lane," and seems an especially appropriate selection, since it is a local view and one with which we are all familiar.

We received other gifts—a book-case from Mrs. George Varney, books from Mrs. Alyea, Mrs. Blackmore, Mrs. Irving Hersey, Tehyi Hsieh, Mrs. Richard Moll, Miss Dorothea Savithes and Rev. Elmer F. West.

The Somersworth Garden Club voted to supply the Library with flowers throughout the summer and from June to October there was no day when these flowers, provided by some member of the club, did not help to make the Library more attractive; we appreciate all these fine gifts and it seems there have been an unusual number received this year.

The W. P. A. workers did some good work on the floor and furniture.

And so, although there is nothing new to be said and nothing new has been accomplished, there is always work to be done.

The Somersworth Public Library provides service limited only by the amount of our appropriation.

The following statistics will show the actual work done during the year.

#### STATISTICS

Number of volumes in Library, March 1, 1938	17,427
Number of volumes acquired during the year,	411
Adult fiction,	173
Adult non-fiction,	172
Juvenile,	66

By purchase,	379
By gifts,	32
Number of volumes rebound,	176
Number of new registrations during the year,	190
Number of borrowers' cards in effect,	4,006
The Library was open 250 days	
Total number of books loaned for home reading,	30,106
(Of this number 23,541 were adult books; juvenile books loaned totaled 6,565)	
Of the 30,106 books loaned 24,233 were fiction; the other classes of reading numbering 5,873 were divided as follows:	
General works,	80
Philosophy and religion,	161
Sociology,	611
Language and literature,	515
Natural science,	211
Useful arts,	474
Fine arts,	425
History and travel,	818
Biography,	550
Current periodicals,	1,346
Books in French language,	313
Pictures and maps,	27
Pamphlets,	342

I am glad to have the opportunity to thank the Trustees for their help during the year, and to express my appreciation for their kind cooperation.

Respectfully submitted,

Leona H. Savithes,

Librarian.

**REPORT OF INSPECTOR OF PLUMBING**

---

Somersworth, N. H., March 1, 1938.

*To His Honor, the Mayor, and City Council:*

Gentlemen: I herewith submit my report for the year ending February 28, 1938. Seventeen inspections of new sewer connections were made during the year, and thirty-two inspections on alterations on plumbing appliances and fixtures placed therein.

Respectfully submitted,

Eugene J. Morin,

Plumbing Inspector.

**REPORT OF AUDITORS****For the Year Ending February 28, 1938**

---

*To His Honor, the Mayor, and City Council:*

Gentlemen: We herewith submit our report as auditors for the year ending February 28, 1938.

We certify to having examined the books and vouchers of the City Clerk and City Treasurer. We find the accounts to agree with the orders drawn on the Treasurer and the accounts correctly cast.

We have also examined the books of the Water Works department, Tax Collector, City Messenger, Superintendent of Forest Glade Cemetery and the Clerk of the Municipal Court, and find all accounts correctly cast and payments properly vouchered.

Respectfully submitted,

Margaret Cray O'Connell,

Roscoe G. Edgerly,

Auditors.

## CEMETERY TRUST FUND

Donations and legacies held by the city for the care of graves and lots, avenues and monuments in Forest Glade cemetery, deposited in Somersworth Savings Bank as a cemetery trust fund, up to March 1, 1938.

# Forty-Fourth Annual Report

OF THE

## SCHOOL BOARD

OF THE

City of Somersworth, N. H.

July 1, 1936, to June 30, 1937

## DEPARTMENT OF PUBLIC INSTRUCTION

### 1936-1937

---

Archie L. Jacques, Chairman,  
Joseph Leeper, Secretary.

#### Members

Ward 1—Joseph Leeper, term expires March, 1939.  
Ward 2—Mrs. John R. Uniack, term expires March,  
1940.

Ward 3—Peter M. Gagne, term expires March, 1940.

Ward 4—Edward L. Flanagan, term expires March,  
1940.

Ward 5—James Perreault, term expires March,  
1938.

His Honor, Mayor Alfred J. Boucher, ex-officio.

Appointed by City Council—Haven Doe, term expires 1938; Antoine Fournier, term expires 1938; Andre DesMarais, term expires 1939; Archie L. Jacques, term expires 1939.

#### Sub-Committees 1936-1937

Finance—Doe, Perreault, Mrs. Uniack.

High School—DesMarais, Doe, Flanagan.

Fuel—Boucher, Gagne, Jacques.

Elementary—Perreault, Fournier, Leeper.

Text Books—Uniack, Leeper, Fournier.

Repairs—Gagne, Boucher, Jacques.

Athletics—Flanagan, DesMarais, Jacques.

Special on Transportation—Perreault, Flanagan,  
Fournier.

#### Sub Committees 1937-1938

Secretary—Antoine Fournier.

Finance—Doe, Perreault, Uniack.

High School—Gagne, DesMarais, Flanagan.

Fuel—Boucher, Gagne, Jacques.

Elementary—Uniack, Fournier, Leeper.

Text Books—Leeper, Uniack, Fournier.

Repairs—Jacques, Boucher, Perreault.

Athletics—Doe DesMarais, Flanagan.

Transportation—Flanagan, Leeper, Fournier.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS, JUNE 30, 1937

---

*To the School Board and Citizens of Somersworth:*

This is the forty-fourth annual report of the Somersworth School Department and the ninth to be made by me. Your attention is especially called to the reports of the Headmaster of the High School, School Nurse, Instructor of Mechanic Arts and Instructor of Domestic Arts. Only the usual statistics are published.

Last year the schools were actually in session 345 half days, while the average of the 102 public high schools of the State was 352.38. Teachers have now had their salaries restored to pre-depression levels and the high school next year will continue for thirty-eight weeks in order that we may the better meet the requirements of the State Department of Education. By vote of the School Board, elementary school teachers are to attend summer school either this summer or next, if they have not done so within five years. The superintendent will ask the Board to approve special travel in lieu of such school attendance.

Use of the high school gymnasium as a study hall has been continued. The total enrollment of this school has varied but little from last year. Probably we have reached a level which may be expected to remain for a few years. However, we are having more demands for the Arts courses than can be met. The necessity of enlarging the rooms of the Mechanic Arts Department is urgent. The high school has been in use for ten years, and it is hoped that the City Council will allow an appropriation sufficient to cover the expense of renovating the interior. Little expense will be necessary to meet the repair bills of the elementary schools. Our boys and girls

spend more hours in their school rooms at work or play than they do anywhere else except at home, and we should not only keep such rooms comfortable, but make of them examples of neatness and good order. We can spend some more money to good advantage on the high school lawn.

During the school year 1883-84, Mr. J. D. Montgomery came as principal of the Grammar school, held in the old high school building. He continued until 1897-98. His wife, Ida, was active in the Woman's Relief Corps and became State Department President. She later married a Mr. Hintze. At her death a beautiful silk flag was presented to the Somersworth High school in her memory by the New Hampshire Department of the Woman's Relief Corps. Headmaster Uniack and the Superintendent attended the Encampment, held at Concord April 15th, and received the flag for the school.

With the WPA financing the expense of teachers and supplies, an adults' school of two teachers has been maintained at the Chandler School since November and will probably continue, with modifications, through the summer. Over sixty men and women have been enrolled, and those maintaining a good attendance have been awarded certificates of attainment. Most of the students are working for citizenship papers, but classes have been maintained in Practical Home Making and Advanced English. We hope that this school will be continued next year.

The Detroit First Grade Intelligence Tests were again used for the entering pupils of the first grade to determine reading readiness. The Metropolitan Achievement Tests were given in March. In the Fundamentals acceptable scores were made except perhaps in vocabulary. Our pupils should do more reading outside of school hours and

we should provide the schools with more books of a library nature. The Standard Graduation Tests were again used as a check on the fitness of our graduates of the grammar school to do high school work. All but one of a class of thirty-six received passing marks. The median of the class placed them in the upper quartile of the Standard. Donald Staples received the highest score in Somersworth, but Emily Casey of Milton received the highest score in this supervisory union.

Special programs were held to commemorate Armistice and Memorial days, and the annual Exhibition was held at the Chandler School June 3rd and 4th.

Our teachers did not attend the meeting of the State Teachers' Association held in Littleton, but all attended the County Association meeting at Farmington in May.

No federal funds were available for free milk distribution, but with what we had on hand we were able to furnish about sixty bottles per day from December 1 to April 23rd. Through the generosity of Mr. P. M. Gagne and Son, we were enabled to secure funds through a moving picture to finance the project again next year. The public responded generously when the pupils called to sell tickets.

While the School Department exercises no control over the Noble Pines playground, and desires none, we are glad to see this beautiful spot made adaptable to the children and properly supervised.

We miss supervised instruction in music and art, and hope the time will soon come when we can have these subject supervisors again. Many high schools with smaller enrollments than Somersworth are maintaining creditable orchestras, as anyone can testify who has attended the meetings of the State Teachers' Association.

A Committee on Transportation from the School Board is making a study of this to see if improvement can be made without unduly increasing the expense.

It is with deep regret that we must announce the retirement of Mr. Benjamin S. Mooney, after having served the Chandler School as principal for almost thirty-six years. A testimonial banquet was tendered Mr. and Mrs. Mooney by the teachers on June 10th, and many more years of happiness and usefulness were wished this beloved couple. We are pleased to know that they will still reside in our midst. Mr. Thomas E. Hennessey, who has substituted for Mr. Mooney during his leave of absence, has been elected to succeed Mr. Mooney. Mr. Hennessey is a product of our own schools and a graduate of New Hampshire University, and will attend the summer school there this season.

Our teachers have all continued to give devoted service. The so-called extra curricula activities of our program demand much time outside of actual school hours, and this has been willingly given. Parents have shown helpful interest in the work of the schools, and the school board has been open-minded and cooperative. For these things we are truly grateful. \**"Surely we owe to the next generation the kind of education that will release its fullest intellectual power to grapple with the problems of its day—I do not believe that youth should be indoctrinated with our own prejudices or our own hopes. Instead, I believe that youth should be taught how to think clearly; how to reason; how to weigh evidence; how to be constructively critical. This is the major task of education."*

Respectfully submitted,  
Howard L. Winslow,  
Superintendent of Schools.

\*I. W. Studebaker, U. S. Commissioner of Education.

## REPORT OF HEADMASTER OF HIGH SCHOOL 1936-1937

*To the Superintendent of Schools and Members of the School Board:*

In submitting the annual report of the High School we feel that this year it should contain a few statistics which have not hitherto been included in our report.

While the total registration of our High School was slightly less than that of the previous year, nevertheless it is still great enough to indicate that a really large percentage of our young people are interested in securing a secondary school education. The total enrollment is given elsewhere, but the following figures may be of interest; they represent the distribution of the entering class:

Chandler School .....	29
St. Martin's Academie .....	14
Holy Trinity School .....	10
Other Schools .....	1

---

Total ..... 54

It is gratifying to know that our High School is so ably serving the interests of the graduates of these various schools, and that it acts, to some extent, as a co-ordinating unit in our educational system.

The following figures likewise indicate the trend in modern education and show that our school is as progressive as any in looking to the needs of our young people. For the better understanding of this growth, let us compare the current year with the school year 1926-1927, thus covering a ten year period:

1927	114	19	60	72	12	31
1937	198	66	26	83	76	58

It will be noted that the number of those taking Latin has been reduced about 50 per cent, while the number electing Commerce, Arts and Science shows a decided increase, the increase in Science being due, in part, to the introduction of General Science and Biology.

Nine of the members of last year's graduating class have gone to college, almost twenty-five per cent. Of these, five are attending the University of New Hampshire and one each to Plymouth Normal, Colby Junior College, Keene Normal and Rollins. These graduates are all doing excellent work, and this indicates, more than all else, the splendid preparation they are receiving in your High School.

A word must be said, too, for the undergraduates. In a nationwide one act play contest sponsored by Thrift, Inc., the second prize of \$10.00 was won by two of our Sophomore girls working in collaboration; and an essay submitted by a Junior boy also won a second prize of \$10.00 in a contest sponsored by the National Underwriters Association.

Of the extra-curricular activities the most notable development has been in the Student Assemblies. Held at least once each term, and with each class responsible for an entertainment, much talent was not only discovered, but was also developed to a degree that left little to be desired in the quality of amateur performance. It would appear to be highly desirable that these young people should be given more opportunity to exercise their talents and that a competent instructor be secured for their proper guidance.

Next year, because of a more stringent ruling by the Commissioner of Education as to the length of the class periods, it will probably be necessary to lengthen the afternoon session by at least five min-

utes. At present the gross may be forty minutes, which means that the time consumed in passing from class to class is included in the period time. Next year the length must be net, i. e., the actual amount of time spent in the class room must be forty or more minutes. Our morning periods now average forty-three minutes, and consequently will meet the new standard. In order that the afternoon periods may be increased from forty to forty-three minutes the afternoon session should begin earlier, preferably at 1.10 instead of 1.15. By so doing we can attain the standard set for the coming year.

For the past year your school have been co-operating with the National Youth Administration in helping, with financial assistance, students who would be unable to remain in school without such help. During the greater part of this period we have received \$60.00 a month to be distributed among twelve pupils. In return for this compensation the pupils have worked from a minimum of ten to a maximum of twenty hours a month. The jobs are varied in nature, including sign painting, stencil making and printing. In addition to these a clipping bureau was established, from which items suitable for current events were secured; while on another project two dozen book-ends were made for the library. We believe that this work was beneficial to the community, both in the nature of the work accomplished and in the effect upon the morale of the young people who received this aid. Only pupils between the ages of sixteen and twenty-four could qualify. Much credit for the success of the NYA is due to the local supervisor.

In closing, may I point out that the facts brought to your attention in this report reflect the desire of our schools to train a large number for better citizen-

ship in so far as we can possibly do so, while, at the same time, striving to prepare for college a much smaller and, to the community, a no more important group than that which will confine its sphere of influence to the humbler walks of life.

Respectfully submitted,

John R. Uniack.

## REPORT OF SCHOOL NURSE

June 18, 1937.

*To the Superintendent of Schools and Members of the School Board:*

Gentlemen: It is with pleasure that I submit my annual report as school nurse in Somersworth.

Nnnumber of children examined . . . .	1,256
Defective visions corrected . . . . .	52
Defective teeth corrected . . . . .	409
Tonsillectomies done . . . . .	19
Truants (reported sick) . . . . .	15

## Communicable diseases found:

Measles . . . . .	135
Mumps . . . . .	3

Pediculosis . . . . .	30
Whooping cough . . . . .	2
Skin diseases . . . . .	8
Typhoid . . . . .	1
Pneumonia . . . . .	4

I was very well pleased with the hearty cooperation given me by the parents this past year in having their children's teeth and eyes corrected. Home visits numbering 261 which I have made during the year have brought me into closer contact with the parents, thus enabling me to get these fine results.

Money has been secured for free milk next year.

I was fortunate to get aid for some of the orthopedic cases through the New Hampshire Crippled Children's Society. I transported follow-up cases and the newly discovered cases bi-monthly to Man-

chester, where these boys and girls were treated at the District Nurses' Association clinics by Dr. Ezra Jones.

As in the past years, clothes were brought in and distributed among the needy children.

In closing, I wish to thank the Superintendent, School Board, Teachers and Parents for assisting me during the school year.

Respectfully submitted,

Dorothy A. Kavanaugh, R. N.,

School Nurse.

## REPORT OF MECHANIC ARTS INSTRUCTOR

---

*To the Superintendent of Schools and Members of the School Board:*

Instruction has been given as usual in Cabinet Making, Mechanical Drawing and Electricity. These classes were too large for the room and equipment available, and made instruction difficult. The room and equipment for Electricity was intended for a class of fifteen, and this year twenty-six boys were enrolled. Next year's indication for Automechanics points to a figure over thirty, which is an impossibility with the present accommodations. Only a small proportion of our boys and girls will enter collegiate institutions, and for this reason, subjects such as Automechanics, Electricity, Cabinet Making, Domestic Arts and Bookkeeping were added to the older "College Prep Course of Study."

The instruction in Cabinet Making includes the study of lumber, paints, wood dyes, board feet, estimates, tools, and the construction of useful furniture for the homes and shop.

Good examples of the type of work being done can be shown from the following: Bookcases, tool chests, filing cabinets, table and boudoir lamps, cedar chests, end tables, baseball bats and smoking cabinets.

The Electricity class received instruction in the various units in practical jobs. House wiring proved to be very popular and complete installation, including the service, was set up in the old fire station.

Grades 7 and 8 and Special received an hour each day and in the short time available were able to form a foundation for future work, as well as build

some useful project. The annual exhibition of school work was held in the Chandler School, but little interest was shown by the public in general. The work shown was done entirely by your boys and girls and they, as well as their teachers, appreciate your interest.

I wish to thank all who have cooperated with us during the past year.

Respectfully submitted,

Joseph O. Lafond.

## REPORT OF DOMESTIC ARTS INSTRUCTOR

---

*To the Superintendent of Schools and Members of the School Board:*

I respectfully submit my annual report of the work done in the Domestic Arts Department of the Somersworth schools.

The seventh and special grade girls in the fall canned fruits, vegetables and relishes and made jellies. The winter months were devoted to sewing projects, which consisted of aprons, slips, night-gowns, blouses, dresses and Christmas gifts. The spring term was devoted to meal planning and serving, during which time six suitable meals were prepared and served to their parents or friends.

The eighth grade girls canned fruits, vegetables and relishes, and prepared jellies. The winter term was devoted to clothing projects, including night gowns, slips, blouses, dresses, embroidery and Christmas gifts. The spring term was devoted to meal planning and serving. This considered nutritive values, seasonal foods, preparation and service. Six meals were prepared and served to their parents and friends.

The high school freshman and sophomore classes have made a study of clothing selection, construction, care and repair, dress accessories, millinery, costume design and social relationships.

The junior and senior classes have studied "The Home, Its Care and Management." This includes the house, its history, location, furnishings, management, appliances, household accounting and the home grounds.

Trips taken this year have been on March 13 to the Boston Flower Show. On May 8 a visit was made

in Boston seeing places of interest and shopping. June 12 the Junior class went to Provincetown, making the trip from Boston by boat. Attention was given the type of town, its location, houses, people and occupations.

May 27 the "annual get-together" was held at the high school.

The annual exhibition of the Department's work was held June 3 and 4 in the Chandler School.

I wish to thank the Superintendent, School Board, Teachers, Parents and others for their helpful cooperation during the year.

Respectfully submitted,

Mildred C. Caswell,

Teacher of Domestic Arts.
